TONY KART RACING TEAM

FERRARI WORLD FINALS WITH FDA

The Tony Kart Racing Team was engaged in the Ferrari World Finals 2017 thanks for the partnership with the Ferrari Driver Academy.

Last week Mugello circuit was the scenario of the Ferrari world, with the World Finals. Other than the racing events, the Ferrari World Finals were the occasion to celebrate the 70th year of Ferrari history. In this unique location, very well known worldwide, the Tony Kart Racing Team attended all track activities as partnership of the Ferrari Driver Academy.

On the karting track ("Mugellino"), beside the Italian circuit paddock, FDA drivers made their performance, Fuoco, Zhou, Alesi, Ilott, Armstrong and Fittipaldi, together with other experienced Ferrari drivers, currently engaged in the GT championships, such as Fisichella, Bird, Bertolini, Molina, Rigon, Pierguidi and Riberas. During the event also our OK and OKJ drivers, David Vidales, Gianluca Petecof and Viktor Gustavsson showed off, together with the youngest talented Mini driver, Andrea Kimi Antonelli.

The show ended in a thrilling KZ challenge amongst FDA drivers, won by Antonio Fuoco, preceding Marcus Armstrong and Callum Ilott.
