

IMPORTANT CHAMPIONSHIP ENDURO SERIES NEWS

Partner The Exciting Championship Enduro Series 30th Anniversary Race Season

We are proudly celebrating our 30th Anniversary in 2018. CES has provided great racing for 3 decades to become one of the oldest kart racing series in America. But we can't do it without sponsor partners. This will be an especially exciting year that you will want to support.

There are two types of sponsors:

- Those who supply cash to the series,
- Those who supply product or services. Both are very important to all of us.

Cash sponsorships help with track deposits, equipment repair, printing and advertising for upcoming events, shows and mailing. Product supply sponsors are also very helpful because they allow us to offer their products at driver meeting drawing.

We need your sponsorship help ! If you know of anyone who can be a class sponsor Please send them our way. By helping CES, you help yourself.
