

## Alex Irlando goes to Sarno in quest for a strong result

The young KZ2 world champ Alex Irlando improved his training sessions to recover from the injury occurred at La Conca.

Locorotondo's Alex Irlando has spent the last ten days trying to back in perfect shape for the first round in Sarno, improving his training and therapy sessions. In Muro Leccese the Sodikart factory driver accused a bad backache that slowed him down during the final race, when he was driving in 4th position ahead of his former teammate Bas Lammers.

*"La Conca proved to be a very physical track – says Alex – and unfortunately I wasn't so trained as I thought to be! I worked really hard with my personal trainer and my physiotherapist to back in shape for this round. The battle against Paolo is a tough and exciting one and I'll fight it at 100% of my possibilities!"*

Here is the program of the weekend. The race will be streamed on [www.wskarting.it](http://www.wskarting.it).
