Win a unique helmet from the DKM

Fund-raiser for children in need

Frankfurt am Main. Since the beginning of the year, the German Kart-Championship presents the particular venue in a special way. A selected driver drives in an ATV over the track and presents it simultaneously in a conversation with the host Jenny Wade. The helmet used in the event will be auctioned for children in need (www.kindernothilfe.de). The auction starts at 1:00pm on eBay.

Big names of the kart sport insisted to drive a lap with the ATV of the DKM-production firm Kart-Data and the host Jenny Wade over the venue of the highest German Kart series. So far, the six-time champion Jorrit Pex, his brother Stan, the three times shifterkart champion Rick Dreezen and the newly named European champion Hannes Janker are under those big names. There is going to be an additional fifth driver at the final in Genk.

All drivers, as well as the champions of the single DKM-ratings signed the one of a kind helmet. Also the two hosts Jenny Wade and Rene Köhler eternalize themselves. The helmet can be purchased by auction on the online auction house eBay for children in need (www.kindernothilfe.de).

The lucky winner can receive the helmet with all the signatures on it in person in Genk or get it send home for free within Europe. This chance should not be missed out on. The auction starts on Sunday (19.08.2018) at 1:00pm under the following link: <https://www.ebay.de/itm/263886233463>

Good luck to all bidders.
