

Alex Irlando at his second 24 Heuers Karting in Le Mans

Three weeks after the KZ CIK-FIA World Championship in Genk, Alex Irlando returns to race his favourite race: the 24 Heures Karting in Le Mans.

Alex Irlando is pumped and excited to take part to his favourite race of the season: the legendary endurance race held in Le Mans. Valid for the CIK-FIA Endurance Championship, the 24 Heures Karting starts this afternoon at 4:00 PM with the first session of free practice.

"I love this race: the strategy, the teamwork, driving in the night... everything is so magic here! I dream to step up to endurance races in the future, so for me this is more than a simple race. Last year we were a little bit unlucky, but we arriver third. I really hope to win this title this year!"

Here is the program of the weekend.
