KOSMIC TOWARDS LONATO FOR THE FIRST ROUND OF THE WSK FINAL CUP

The Kosmic Racing Department will go down to the track on the weekend of October 18th-21st on the South Garda Karting circuit in Lonato, seat of the first round (out of three) of the WSK Final Cup

After conquering the **2018 KZ World Championship** with **Patrik Hajek**, the **Kosmic Racing Department** is ready to get back to the track for the last part of the 2018 karting season. During the weekend of October 18th-21st, actually, our racing department will be engaged on the **South Garda Karting track in Lonato** in the first round of the **WSK Final Cup**, a series organized by **WSK Promotion**, which will be subsequently divided into another two appointments in November.

On the track in Brescia, first stage of this seasonal final rush, our **Kosmic Mercury S** powered by **Vortex** will be racing in **direct drive version** with **Rafael Camara (OKJ)**, playing a leading role this year for the sixth position reached in the final of the European second round in the UK, and by **Viktor Gustafsson (OK)**.

Axel Bengtsson and Paul Evrard's task, instead, will be keeping up our racing department's colors in the **KZ2 master class**: the aim of both is to put their **experience** gained in the **World championship on the Belgian circuit in Genk** to good use, in order to enter the fight for the top positions and get an **important result**.

The appointment of the first round of the **WSK Final Cup**, taking place on the **South Garda Karting track in Lonato**, can be followed through the live timing service on the website www.wskarting.it from the Thursday free practices. Pre-finals and finals on Sunday, however, will be broadcasted live streaming on the same website.
