Event: Tony Kart Racing Team – WSK Final Cup – Adria

FINAL ACT OF THE WSK FINAL CUP IN ADRIA

During the weekend of November 22nd-25th, the drivers of the Tony Kart Racing Team will face the last round of the WSK Final Cup on the Adria Karting Raceway

The **WSK Final Cup** is coming closer to its end: after the appointments in **Lonato** and **Castelletto di Branduzzo**, during the weekend of **November 22nd-25th**, the drivers of the **Tony Kart Racing Team** drivers will get back to the track on the **Adria Karting Raceway** for the final karting appointment in Europe.

In the **OK direct-drive category**, instead, our **Tony Kart 401S Racers** powered by **Vortex** will be brought to the track by the expert couple **Noah Milell – David Vidales**, with the latter determined to climb up the final rating after the good result gained in Castelletto di Branduzzo, and by **Li Mingyang**, the newcomer in our team.

The attention, however, will be focused on the **OKJ category** and on **Laurens Van Hoepen**, who reached the podium in the second round and is currently in **sixth position** in the Championship Final rating. The common aim for the teammates **Nikita Bedrin, seventh**, and **Joseph Marti, fifteenth**, will be to bring the **Tony Kart Racing Team's colors on the podium** to get a great result to close the 2018 karting season.

On the **Adria Karting Raceway**, finally, also our **60 Mini** drivers will get to the track, captained by **Rashid Al Dhaheiri**, 11th in the Championship final rating, followed by **Yuanpu Cui, Jimmy Helias and Jules Caranta**.

The last round of the **WSK Final Cup**, taking place on the **Adria Karting Raceway** circuit, can be followed from Thursday free practice through the live timing service available on the www.wskarting.it website. Pre-finals and finals on Sunday, however, will be broadcasted through the live streaming service on the same official website www.wskarting.it.
