ALEX IRLANDO DOUBLES HIS EFFORT IN SARNO

Alex Irlando returns to the Circuito Internazionale Napoli to get past the disappointment of the last Super Master Series event.

Another WSK event, another event held in Sarno. The BirelART's factory driver Alex Irlando returns in Sarno for the first event of the WSK Euro Series and he is dying to start properly this new series. After the unlucky conclusion of the last round of the WSK Super Master Series, the KZ driver will have another race in the shadow of Vesuvius to prepare at his very best the second and last round of the CIK-FIA European Championship.

"The last round of the WSK Super Master Series was a real shame, but I have to look forward and I simply can't wait to race here once again. I can't get enough of this amazing track! I hope to avoid any kind of problem, maybe Lady Luck will be on my side this weekend."

Here is the program of the weekend.
