ALEX IRLANDO DEBUTS IN THE FFSA FRENCH OK CHAMPIONSHIP

Apulian Alex Irlando is ready for his third race in a row in Angerville (FR) on occasion of the FFSA French OK Championship.

Alex Irlando doesn't stop and returns in OK to prepare the first CIK-FIA event that will be held from April Friday 19th to Sunday 21st in Angerville (FR). The 2017 CIK-FIA International Super Cup winner can't wait to prove himself against all the other OK drivers.

"The last race in Sarno was really good overall, I'm learning a lot about the chassis race after race and this event before the first round of the CIK-FIA European OK Championship will be crucial to test different technical solutions. I'm sure that BirelART and TM Racing will put me in the condition to fight for the top positions!"

Here is the program of the weekend.
