ALEX IRLANDO RETURNS TO WACKERSDORF

After almost two years from his KZ2 International Super Cup win, Alex Irlando returns to the ProKart Raceland in Wackersdorf.

The Apulian ace Alex Irlando returns to a very special track: the ProKart Raceland in Wackersdorf, the karting track where he claimed his World KZ2 Title back in 2017. A breathtaking last lap gave him the victory with an awesome manoeuvre in the last corner.

"I've a very special feeling with this track, here I have the best memories of my career! I'll never forget that day, but I'm here to win again. Nowadays I'm in KZ and the level is higher, but my goal is to dispute my race and to play my cards. As part of the CIK-FIA European Championship, it will be crucial to not waste points before the second and last round of Sarno. I'm really looking forward a very positive European Championship in KZ!"

Here is the program of the weekend.
