### **Victories and title for Mach1 kart in Kerpen ADAC Kart Masters visiting the Erftlandring**

This past weekend the Mach 1 kart drivers were successful at the ADAC Kart Masters in Kerpen. Julian Müller won in the shifter kart class KZ2 and DS kartsport fosterling Tom Kalender secured himself the premature title in the Bambini class. Especially on Sunday the drivers were experiencing difficult weather conditions.

147 drivers arrived this past weekend on the 1.107 meter long Erftlandring in Kerpen for the half final of the ADAC Kart Masters. With that also some pilots who trusted in Mach1 kart and celebrated big achievements.

Under the application of the Mach1 factory team, Julian Müller gave his comeback in the ADAC Kart Masters. The still reigning KZ2 champion showed that he did not forget how to drive karts. From the beginning on with dry weather conditions he counted to the top drivers and was ranked in fifth position in the temporary rankings. With rain on Sunday there was no holding him back anymore. With only 0,099 seconds backlog he curtly missed the victory in the first race. He then took the win in the second run. He celebrated his start-finish-win and was standing on the upper step of the podium.

Also, at the Bambini class there was enough reason to be happy. Tom Kalender continued his winning series this past weekend and took the double win in Kerpen. With that the driver from the Mach 1 supported team DS kartsport secured himself an early place in the championship of the ADAC Kart Masters. Additionally, to him also his team colleague Yannik Hirsch was placed in the trophy ranks fourth and fifth. With Luca Voncken another driver from DS kartsport established in the top-five at the X30 Seniors.
