

LEONARDO MARSEGLIA HEADS TO LONATO FOR THE 23RD WINTER CUP

Following a top ten score at the first round of the WSK Super Master Series, Leonardo Marseglia is set to continue his assault, this time in Lonato on the occasion of the 23rd Winter Cup.

The Kart Republic driver continues his OK campaign started during the last round of the Deutsche Kart Meisterschaft in Lonato last year: "In Adria it was tough due to weather conditions that didn't allow me to practice enough on dry track. Anyway, speed was there and I'm ready to fight for the 23rd Winter Cup this weekend!"
