

## **IMPORTANT INFORMATION REGARDING COVID TESTING AT PORTIMAO**

Due to the COVID-19 Pandemic and the need to provide a negative test before entering the FIA Karting paddock for the world championship we are arranging testing to be carried out during the weekend of the Champions of the Future event.

In order to help us understand how many tests we will require to pre-order, which is limited, please send us an excel sheet of all the personnel you wish to be tested at the event. The excel format in 2 columns first being the full name the second being the team associated with. Example can be seen below.

Even though it is not mandatory to provide a negative test for the champions of the future event we highly recommend you do to a PCR test before travelling to Portugal.

Note: The tests are just for those staying for the World Championship.

Please send the excel sheet to [james@rgmmc.com](mailto:james@rgmmc.com) no later than the 9th of October 2020.
