OTK DISTRIBUTION IN JAPAN

OTK KART GROUP, a world leader in kart manufacturing, is pleased to announce the establishment of OTK KART JAPAN.

OTK KART JAPAN joins the esteemed ranks of OTK KART USA and OTK KART ASIA, operating under the direction and support of its parent company, OTK KART GROUP.

OTK KART JAPAN consolidates the position of the existing structure, TONY-KART JAPAN, previously managed by Mr. Taniguchi. We extend our heartfelt thanks to Mr. Taniguchi for his outstanding work and more than 20 years of cooperation.

The new management is now entrusted to Yusuke and Kosuke Matsuura, who will have the privilege and responsibility of continuing OTK's great history and tradition in karting motorsport in Japan.

OTK KART JAPAN, under the leadership of Yusuke Matsuura, will leverage its decades of experience in the world of karting. Together with

OTK KART GROUP, they will develop and promote the best products for both motorsport and rentals in a sustainable and proactive manner, with a well-known commitment to the growth and development of all karting in Japan, particularly the OTK brand.

OTK KART JAPAN will be the exclusive official importer of OTK KART GROUP products in Japan, including chassis, engines, tires, and rental karts. They will also be responsible for promoting these products, continuing to serve as the key point and hub for all dealers, customers, and karting enthusiasts throughout Japan.
