

**ROTAX.
TRAX**

**COMPETE.
COMPARE.
CONNECT.**

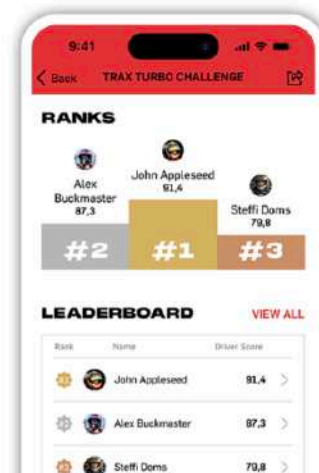

Karting just got smarter, more competitive, and more connected.

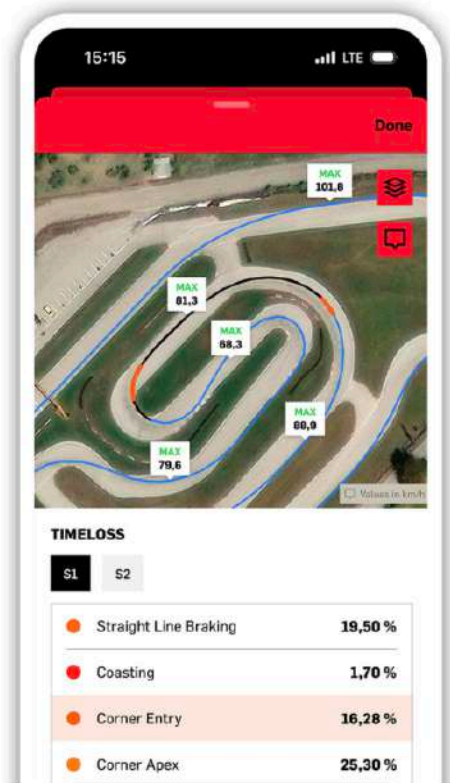

We're excited to introduce **Rotax TRAX**, the groundbreaking app and device that's transforming how drivers race, analyze, and connect with the global karting community.

Whether you're a seasoned pro or just starting out, TRAX offers everything you need to improve your skills, compete with racers worldwide, and share your achievements – regardless of the kart or engine brand you use.

Get the TRAX Device Through Your Local Dealer & Download the App Now

Download the TRAX app for iOS or Android and get one month free. The TRAX device is sold separately – check with your [local dealer](#) for availability.

What Can TRAX Do for You?

- **Compete:** Challenge friends locally or rivals globally, no matter their kart or class.
- **Compare:** Track your performance instantly, and let our AI Coach show you how to improve.
- **Connect:** Join our global karting community and make new racing friends.
