**TCR DSG Endurance is online.**

Preparation work for the TCR DSG Endurance, the new series at its debut this year,

is continuing relentlessly on several fronts. The new official web site has been published today at [www.tcrendurance.com](http://www.tcrendurance.com) and it will contain all the latest news on the forthcoming Endurance Touring season, including all the most useful information for the protagonists of the racing action.

### ***Information leaflet***

An overview on the new TCR DSG Endurance season is available in a leaflet, as highlighted on the landing page of the website. The most important content is present in the downloadable pdf: race calendar, technical notes, Hospitality-village and the rich money prize are some of the topics covered.

### ***Regulations under the spotlight.***

A specific page of the web site is dedicated to the most important regulations of the new season. An extract of sporting regulations is reported with fees and money prize.

### ***Early-registration and choice of cars.***

The early-registration form is available. It is possible to specify the preferred car among the three models available: Audi RS3 LMS, Volkswagen Golf GTI and Seat Leòn, each one pushed by a 350 BHP engine unit, set up by organizers with the formula ready-to-race for the six rounds.

## ***First tests in Adria next March 1<sup>st</sup>- 3<sup>rd</sup>.***

It is nearly time for the first tests of the cars that will take part in the TCR DSG Endurance. The Adria International Raceway will host three testing days from next March 1st to 3rd with the cars made available by Bioitalia.
